Mission Statement

Evergreen is founded on the belief that the atonement of Jesus Christ enables every soul the opportunity to turn away from all sins or conditions that obstruct their temporal and eternal happiness and potential.

Evergreen attests that individuals can overcome homosexual behavior and can diminish same-sex attraction, and is committed to assisting individuals who wish to do so.

Evergreen provides education, guidance, and support to those involved in the transition from homosexuality, and is available as a resource to family, friends, professional counselors, religious leaders, and all others involved in assisting individuals who desire to change.

Evergreen sustains the doctrines and standards of The Church of Jesus Christ of Latter-day Saints without reservation or exception, but is not affiliated with the Church. Evergreen welcomes all people who wish to participate in the pursuit of these goals.

Conduct & Dress

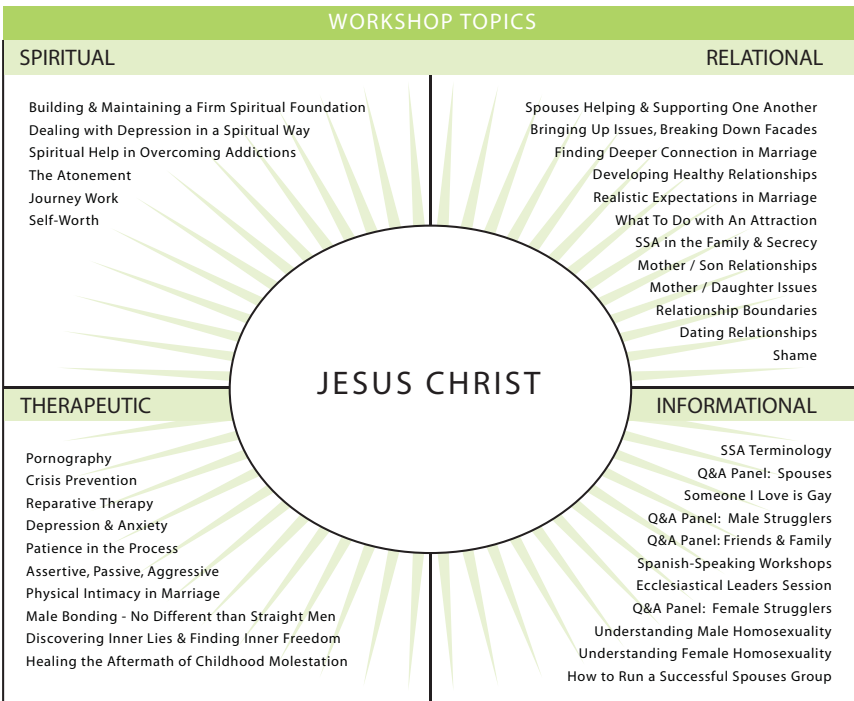

The Evergreen community is founded on the Christ-centered concepts of brotherly love and healing through the atonement. In order to encourage the presence of the Spirit, and out of respect for each other, the presenters, and ecclesiastical leaders in attendance, we ask that the following standards be maintained:

Dress is business casual. Please avoid wearing shorts, tank tops, or any other highly casual or inappropriate clothing. LDS standards apply.

Adhere to the standards of the Evergreen Mission Statement. While frank and open discussion is encouraged, too many details or inappropriate language or stories can drive away the Spirit.

Using this conference to promote alternative philosophical or political views, or for seeking inappropriate relationships will not be tolerated.

Evergreen International reserves the right to remove individuals from the conference who do not adhere to this code of conduct.
